

How to register your Boxer Puppies

What to do?	Why?
1. JOIN one of the affiliated clubs	This is a requirement to register puppies with the FBCSA. By being a club member you are kept up to-date with all the news in the club and the FBCSA.
2. Make sure both the stud dog and the brood dam are REGISTERED with the FBCSA.	This is a requirement .
<ul style="list-style-type: none"> They must both have an Adult Health Certificate completed from age 12 months and BEFORE being mated. 	This is to ensure that both dogs are free from audible heart murmurs, that the stud dog is entire and that in general the dogs are in good health. Please note: even if the adult dogs may be free from heart murmurs this in no way is a guarantee that the puppies will be free from heart murmurs. It is a recommendation that both adult dogs have their hips x-rayed for Hip Dysplasia, especially so if the dogs are being used regularly for breeding purposes. Dogs with D and E hips should NOT be used for breeding purposes.
<ul style="list-style-type: none"> Both dogs MUST be micro-chipped. 	This is a requirement .
3. Register a KENNEL PREFIX .	This is a requirement . The prefix has to be approved by both the SA Stud Book and the FBCSA.
4. When the litter is born, please INFORM YOUR CLUB SECRETARY .	As a responsible breeder the onus is on you to contact your Club Secretary or the FBCSA Secretary to ensure that you have all the correct information to register the litter and that you understand the process.
<ul style="list-style-type: none"> You also have the option to ADVERTISE the puppies with the FBCSA on the website for a fee. 	There is no guarantee that the pups will be sold through the website. The onus is on the breeder to advertise the pups using different media of their choice.
5. At age 6 weeks the pups MUST be taken to your local vet for a HEALTH CHECK , inoculations, de-worming and micro-chipping.	This is a requirement . Please ENSURE that the Application for Registration Form is taken with you to the vet so the vet can complete, date and sign the form .
6. When the vet visit is complete please contact your club secretary to arrange for a PUPPY INSPECTION .	This is a requirement where feasible as there may not be an inspector in your area. If not then photos of the pups are required. Pups may only leave the dam at the earliest age of 8 weeks.
7. PAYMENTS and COMPLETION OF FORMS:	Ensure that ALL forms and payments are received by the FBCSA Secretary BEFORE the pups are 12 weeks of age otherwise an increased fee is payable and a penalty fee is charged. All forms MUST be completed in FULL . Any incomplete forms will be sent back to you, delaying the registration process.
<ul style="list-style-type: none"> The entire litter MUST be registered except white puppies. 	As a breeder you have the choice to micro-chip and register whites or not.
<ul style="list-style-type: none"> FORMS REQUIRED: <ul style="list-style-type: none"> Prefix Application (once off) Adult Health certificates Application for Registration Stud Certificate (you MUST receive this from the owner of the stud dog if you are NOT using your own stud dog) Litter Data form Photos of pups if no inspection took place Proof of payment 	These are all available on the website: www.fbcса.net
8. CONTACT DETAILS:	<ul style="list-style-type: none"> FBCSA Secretary – Pam Zeiler 012 664 2156 secretary@fbcса.net BCSA Secretary – Carol-Anne Duranty 082 933 5495 bcsа@fbcса.net or Helen Rennie 084 521 6587 rennieh@vodamail.co.za EBC Secretary – Nicolene van Emmenis ebc@fbcса.net NBC Secretary – Karin Schoeman 083 225 3975 nbc@fbcса.net. CSABC Chairman – Wilana Boshoff 083 386 4108 csabc@fbcса.net

The FBCSA in terms of the Animal Improvement Act No 62 of 1998 - Registration Certificate No 62/98/B-12, is now the **only recognised breed society in the country to legally register ALL Boxer dogs**. The Act further stipulates that there can only be one Breeders' Society of a particular breed and registration of these animals may only be done through a registered Registering Authority, such as SA Stud Book. The Boxer has been declared by the Registrar as a "Breed" and was accordingly announced as such in the Government Gazette.

The Federation of Boxer Clubs of SA is therefore the only legal Breeders' Society for Boxers in South Africa and therefore only breeders who are members of the Federation can legally claim to be breeding Boxers
